Security TWENTY Special

TWICKENHAM 11-12 March 2025 Twickenham Stadium

Security TWENTY Special is our two day, meet the buyer event aimed at security decision makers.

Day 1 starts at 10 am for registration, introductions and an overview of the event. We then arrange a day of 30 minute appointments where exhibitors have private meeting rooms in the stadium where attendees can discuss requirements and solutions with manufacturers including lunch. These appointments will be matched to ensure that there is a genuine requirement from both manufacturer and delegate to avoid time wasting. After guests have checked into their bedrooms at the onsite hotel (which is integrated into the stadium) and had chance to freshen up, there will be an opportunity for a full tour of the stadiums so that guests can see behind the scenes of this iconic venue. On the evening of day 1, we will come together for a relaxed three course dinner in the stunning Member's Lounge overlooking the stadium including hosted bar to encourage more networking opportunities.

Day 2 after breakfast, we will arrange a further morning of 30 minute appointments . We will finish at 1pm where you will be free to stay for lunch or leave for home or the office. In total exhibitors will have sixteen 30 minute appointments over the two days. For your exhibition space, you have a private and enclosed room with no distractions and can engage in secure discussions. What you put in that room is up to you – either equipment demos or presentation on laptop and banners etc. All of our attendees will be high level decision makers and influencers who have been specially selected. We want these events to be a great success for all of our attendees so won't be wasting anyone's time. The plan is that even if you don't have an appointment with every delegate you should go away from the events knowing everyone who attended and having made some firm business connections

Exhibition Package (inc one attendee) £4,500 ☐ Extra attendee(s) £400 per person ☐
